Re: Florencita Drive Annexation
District to City of Glendale.

Dear Sir:

At the meeting held on May 4, 1955, the County Boundary Commission reviewed the boundary description and map submitted on April 22, 1955, by you for the above proposed annexation to the City of Glendale, Florencita Drive Annexation District.

The County Engineer called to the attention of the Commission that although the description could be approved within the meaning of Section 35002 of the Government Code, certain minor changes were desirable to clarify and perfect some of the references. Said minor changes would make no change in the location of the boundaries shown on your map.

The County Boundary Commission approved the boundary description submitted by you and the alternate description recommended by the County Engineer and respectfully suggests the alternate description be used in all proceedings relating to the proposed annexation.

Very truly yours,

Ray E. Lee
